

# Orange Avenue Splash Zone

**Splish Splash!** It was a colorful Saturday afternoon on July 25th when the City held the grand opening of the new Orange Avenue Splash Zone. The aquatic playground, which uses recirculating water, is a zero-depth interactive experience designed to delight Paramount's kids. The turnout was big, the kids had a blast. The City handed out snacks and other giveaways and the American Red Cross was on hand offering free smoke detectors to residents. The Splash Zone will be open during the summer from noon to 5 p.m., seven days a week. Hours will be adjusted once school begins.
